

Provincial Grand Lodge of Mark Master Masons West Yorkshire

Dear Brethren of West Yorkshire.

I write to thank you all for the very generous donations made by Lodges and Brethren of this Province to mark my retirement and celebrate my 11 years as your Provincial Grand Master.

I have just been advised of the final amount received and am staggered to find that it is the amazing sum of £3,700. To say that I am overwhelmed and humbled at such a generous amount being gifted in my name is an understatement.

For information, I will be using some of it to purchase a new smart television and Joan will be putting the rest towards a new double bed. Both of these items will serve to remind us of the many friends we have made in the Province as we relax in the evenings and finally retire each night.

It was a great pleasure to be your Provincial Grand Master and I thank you all once again for such an amazing amount being raised on my retirement.

Joan and I send you all our love and very best wishes for the future - and with our most kindest regards.

Jim
